

MASS JUDGE TRANSFER

This option would be used when you have a Judge leaving or being replaced. Here you can close a Judge assignment or transfer a Judge assignment by caseload.

Select Caseload, Judge Information and Judge Transfer.

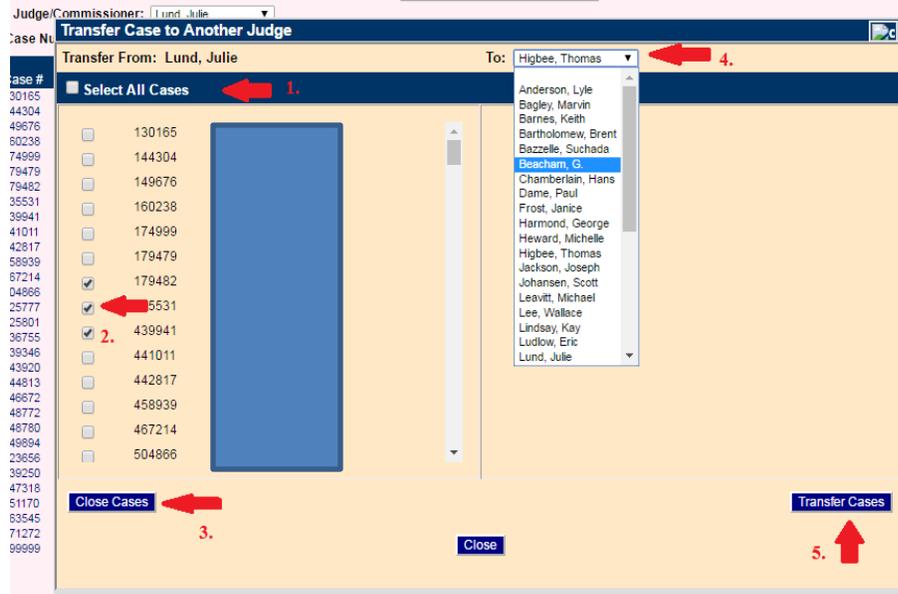

Select the correct report level.

1. Select the correct Judge/Commissioner

2. Select Find. A list of all the Judge's cases will appear. From this screen you can view incidents or by clicking on the case number go directly into the case.

3. To continue to a mass Judge transfer select cases to close/transfer.

1. You can select all cases if you want to move ALL the Judges cases at one time.

2. Or you can select specific cases only.

3. If you only wish to close the Judge assignment and NOT transfer to another Judge, Select Close Cases. This will only close the Judge assignment.

4. To move the cases to another Judge assignment select the Judges name from the drop down box.

5. Select Transfer Cases.

This will transfer all cases from one Judge assignment to another Judge assignment.
